

For the first time in Chicago, learn Eric's unique approach to playing championship table tennis. Honed over the last 20 years, Eric has developed a practical approach to winning. Based on years of training in China and in Europe, his approach to playing winning table tennis is straightforward: *Get the ball in play effectively, and win the point!* The lecture series provides an immediate boost to every player's game.

The Eric Owens Table Tennis Lecture Series

Losing is no longer an option!

Make your reservation today, and win more games in 2007!

Resume: Eric Owens

- 2001 U.S. Men's Singles & Doubles Champion
- 1999 Pan Am Games Gold Medalist
- 7X National Team member
- 2005 & 2006 U.S. Collegiate Men's Singles, Doubles, Teams & Mixed Doubles Champion
- 1998 & 2000 North American Men's Doubles Champion

"Eric Owens' Foundation Mini Camp was outstanding. Eric teaches a very easy to understand and practical approach to winning at table tennis. The camp consisted of lecture & demonstration and also some time on the table practicing the techniques Eric presented. If you want to step your game up and learn the correct footwork, strategies and strokes, take the course!" Matt Weerts
